## JACKSON AVENUE WILL BE WIDENED, SECOND AVENUE PROJECT DROPPED

The Warren borough council Monday night unanimously passed two ordinances which adopt the state's plans for widening Jackson ave. and for assessing the adjacent property owners two-thirds of the cost to the community. Warren's total share will be \$16,500, of which \$11,000 is for new curbs and \$5,500 for paving.

Engineer R. I. DeBell estimated that the cost will be about \$2.80 to \$3 a running foot for residents east of Prospect and \$1.20 to \$1.35 a running foot for those between Prospect and Jackson ave. Eight residents who live east of Prospect were present to support the project.

The avenue will be widened to 26 feet for a distance of 2,968 feet east from Conewango ave.

The Second ave. paving project was dropped. It had been planned to widen the stretch between Liberty and Market to provide another row of parking lanes. But the cost of basement changes for Metzger-Wright would be heavy and the YWCA claimed it has no money with which to pay its share.

Bid for bituminous and aggregate material were received and two were accepted. One was the bid of \$4,442.70 by the Allied Bitumen Inc. of Buffalo for 17,700 gallons of bituminous material. The other was a price of \$2,343 placed on 630 tons of aggregate by the General Concrete Products of Warren.

Borough officials were authorized to borrow up to \$80,000 from the two Warren banks if money is needed to finance the community until tax money comes in during October. (No councilman expressed curiosity concerning the interest rate. If that much were to be spent for a new machine they would ask if it were in the budget.)

Councilman Emery said the commissioners hope to have the new assessments ready for 1959 tax purposes, but the percentage of the actual value has not been determined. (The bigger this is the less handicapped will be the governing bodies of the county. We believe it can go as high as seventy per cent.)

Engineer DeBell said sewage construction work has started on the streets to be surfaced and that the first paving probably will be laid on Madison. He said the sewage plant is 45 per cent completed, and that work on the river crossings is

awaiting a lowering of the river which has been kept up by a wet summer.

Councilman Patchen said residents of the lower branch of west Fifth ave., from Hickory to Poplar, have petitioned for one-way traffic which they want to flow from west to east. It was suggested that they should make it from east to west if they want to discourage traffic.

The Kiwanians were given the use of Memorial Field for Hot Stove Day, August 6, and on August 23 if rain interferes. The Legion was given the field for August 16 when the drum corps competition will be held.

Councilman Yagge complained about starlings in his ward. Other councilmen suggested he keep them there. Burgess Rice said he didn't want any part of it because he wasn't running for office, and besides he had nine wards to worry about. Councilman Yagge was left with the bird.

Solicitor Harper reported the receipt of clean air proposals from authorities on the subject. He said regional control was recommended.

**CHAMPIONS** - Four champions got together after Saturday's Soap Box Derby. The quartet are, foreground, Manford Rydholm, 1958 Warren Derby winner, back row, (l. to r.), Bruce Matve, 1958 Class B winner, Frank Burgett, 1957 Warren Derby champ, and Richard Brandt, 1958 Bradford Derby champion.

## WARREN AREA SOAP BOX DERBY

DAN'S CHEVROLET INC. WARREN JAYCEES TIMES MIRROR

**DERBY CHAMPION** Manford Rydholm qualified for his championship race against Bruce Matve by nosing out Ed Kutschke in this race for the Class A championship in last Saturday's Warren Area Soap Box Derby on McPherson Street.

In their first race for the Class A crown, Rydholm and Kutschke crossed the finish line in identical times of 24 seconds. In their second attempt, Rydholm nosed out Kutschke with a time of 24.4 seconds.

## COUNTY MAP - FIRST STEP IS EQUALIZED ASSESSMENTS

By Lewis Crippen

Wisely, the Pennsylvania Legislature determined that a definite knowledge of land and its owners was necessary before the County could properly embark upon a re-evaluation program. As important and as valuable as the buildings may be they are enhanced or restricted in saleability by fertility of the soil, accessibility to governmental facilities, and the area's demand for building sites.

The state required a minimal program of developing a property line map, cross indexed to a property file and an ownership file. Every county in the Commonwealth has interpreted this law to its own needs and the limitations imposed by its budget so that varying degrees of accuracy have been included in the mapping program. Warren County has one of the best maps as yet examined by its officials and has earned the praises of many nationally known reappraising firms.

Henry W. Fuelhart, of Tidioute, a consulting engineer, was employed by the Warren County Commissioners in January, 1956. He devised his own mapping system based on U. S. Geological Survey maps and aerial photographs from the U. S. Department of Agriculture. Accuracy was increased by eliminating distortion and the end product was the tying together of Warren County's map with all government maps including the familiar contour varieties. In fact, you may mark a location on a topographical map and come into the Warren County mapping department and determine the owner.

A corps of field workers consulted with land owners to determine property lines. Where neighbors agreed the line became permanent. Where disagreements were discovered both temporary lines were dotted-in to be settled later in court actions or by mutually accepted adjustments.

Information was checked with deeds in the Register and Recorder's

Office and with entries in the previous assessments books. Discrepancies were checked until all facts seemed to agree.

Completed maps are in quadrangles with eight sections covering the area encompassed by Warren County's Geographical lines. The acetate copies are of sufficient accuracy to be combined into townships and will be of great value to local planning commissions.

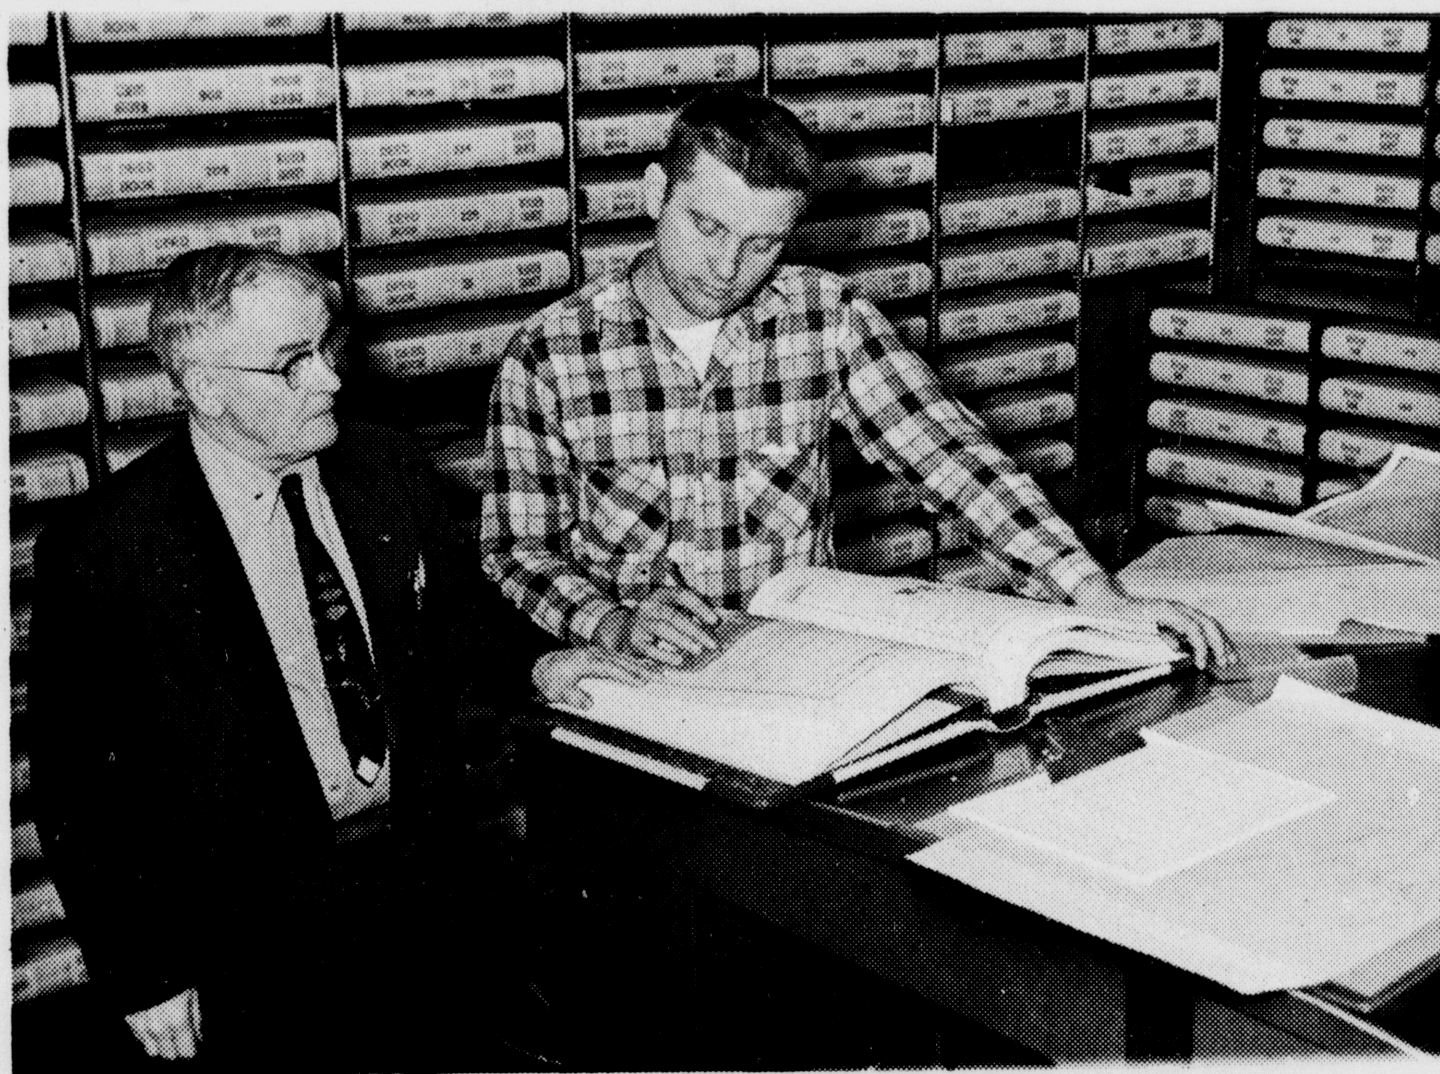

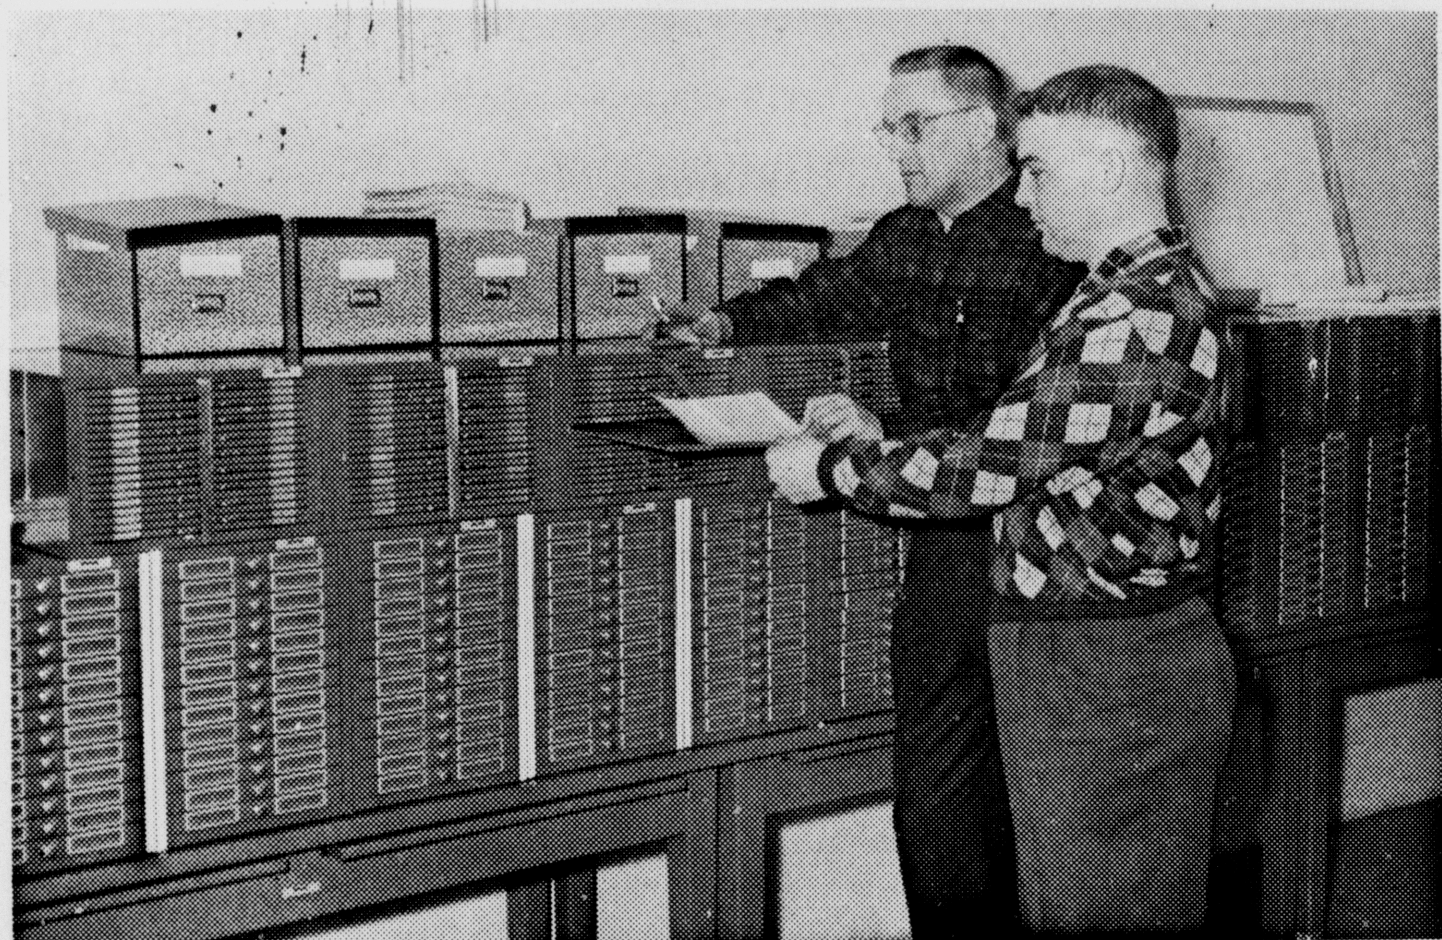

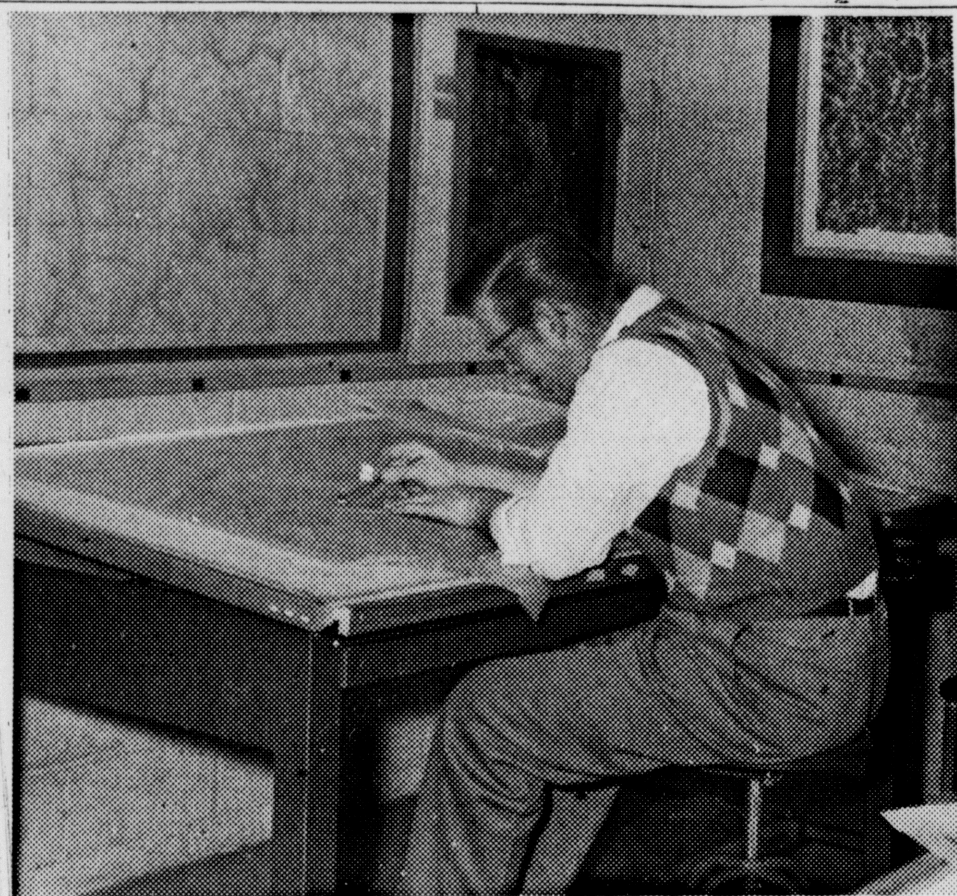

Recently it was estimated by H. W. Fuelhart that the mapping project is 95 per cent completed. When it is realized that constant changes in boundary lines and disputed ownerships will restrict the finished map to approximately 98 per cent of completion, it is apparent that only a few townships are still uncharted.

THE PROPERTY OWNERS' names and the property descriptions are filed separately and keyed into maps with a simple but novel numbering system. Henry W. Fuelhart (l.) is shown explaining to his assistant, Jack Schall, why it is impossible to have duplications in property numbers when the Warren County numbering system is used. Recently, Fuelhart and Schall have accepted a contract to complete the mapping program in Venango County.

The maps are the first step in equalizing assessments. The second step is in re-evaluating the buildings and land which is being accomplished at the present time by The Clemmshaw Company, of Cleveland, Ohio.

DRAFTING SKILL and much experience in the mapping department are required before the first lines are drawn on the finished map. There are approximately 350 maps required to cover all of Warren County. Two scales are used: 1 inch equals either 100 ft. or 1000 ft. The denser the populated areas the smaller the scale, and the more maps that are required. Warren borough, for example, required 24 maps.

Roy Sherman is photographed placing the boundary line on a piece of property. Since these pictures were taken, the work has so neared completion that only two draftsmen are employed full-time on the project.

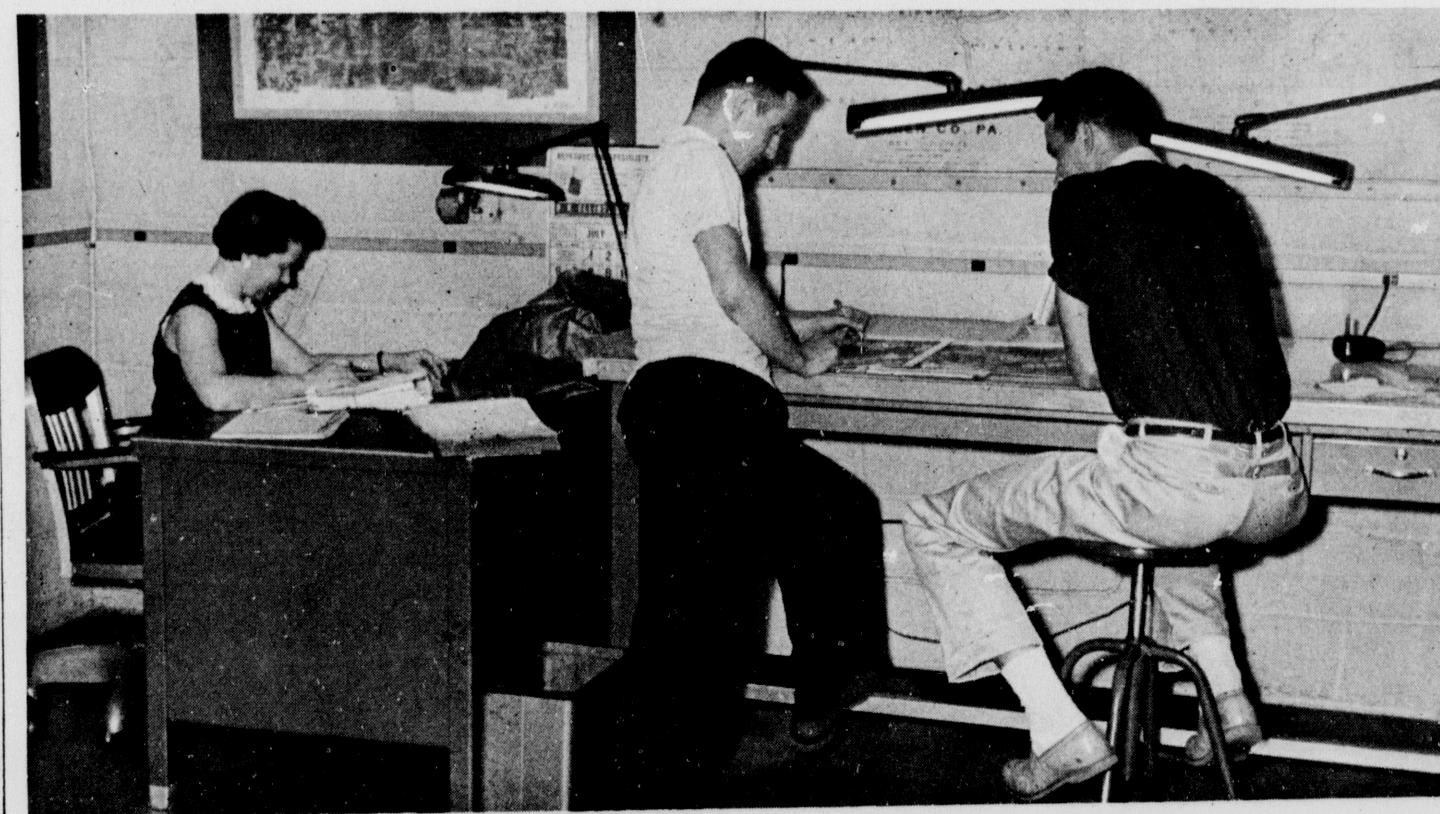

MOST OF THE PROPERTIES were rechecked through the records in the Court House to minimize the errors. George Atkins (r.) is shown checking some Warren borough property deeds with Register and Recorder Gurney R. Ball.

An example of the praises this mapping system has received from engineering firms throughout the United States is this excerpt from a letter written by Ralph C. Bennett, of Michael Baker, Jr., Inc., one of the best known consulting engineering organizations:

"The boys in the mapping office were extremely courteous and I could not help but admire their sincerity and interest. I did not get the chance to tell you in person that I feel you have a tax mapping system and job second to none. You and your engineer should be mighty proud of the work."

THE WORK IS CONTINUING by these employees (left to right) Janice Abraham, clerk; Bob Rieder and Melvin Speicher, specialists. H. W. Fuelhart, of Tidioute, will be the supervisor until the project is completed.

## Observations

By Bob Walsh

### ABOUT THAT SWIMMING POOL

There has been some irresponsible thinking and talking done in regards to the proposed Warren swimming pool which we sincerely hope will not influence those who are endeavoring to get the project underway. This is a facility which will serve us many years, and if it is wisely done it can be adequate and satisfactory.

Some talk as though the only important point is to start building. They would avoid study and preparation, form a drive committee, raise the money, and employ a commercial firm to do the job. That is narrow thinking of the smallest gauge.

Much time and thought have been devoted to this subject, and none should be lost.

Whether it be a high school, sewage plant, fire department, ambulance service, flood control, improved streets, or any facility or service you can name, the Observer believes it should be preceded by wise planning, and that we deserve the very best. Apply this to the swimming pool and you won't build it in a few weeks or even in a few months.

What would be an ideal and adequate swimming pool? Of course it must serve the area's population, thus determining its size. It should be used as many hours as possible, and it should be of a size and shape which will serve us the best in the years to come.

Much of this need not be learned the hard way. Others have sweated it out before us, and many are sorry for their mistakes. A study of their troubles and errors will save us from costly guess work.

Years ago the Committee on Community Recreation in Warren began the groundwork for planning community recreation facilities in this community. Its first step was to associate itself with the National Recreation Association.

This is not a federal group as the name leads some to believe. It is financed by wealthy people and corporations who for years have realized the problems confronting communities faced with providing facilities with which to occupy their citizens during leisure hours. It has made years of study in this field and can come up with answers that will avoid many problems for those who will listen.

Warren employed this Association to make a study of its recreational potentials and a plan was prepared in pamphlet form into which various facilities could be fitted when the time came to build them. It was a flexible plan which could be adjusted to fit the changing scene.

Now we come to the specific task of building a swimming pool and it should fit into the long range pattern. It should be done with advice from those who are informed on the subject, and after a study of previous surveys. It also would pay us to visit other communities which have staged such drives and have built swimming pools. They must have run into problems we might avoid, and their pools must have weaknesses which we could eliminate.

The Observer's approach to any community problem is to arrive at an ideal. If we can't afford the very best, we should at least start with it as a model. Better to shave down from the top than to build up from the bottom. You often can save much of the best while economizing.

In this climate where swimming is limited to an average of about 65 days, we would consider it ideal if a pool were enclosed so that it could be used 365 days. It would be even more ideal if one side of it faced the southwest and could be raised for sun swimming in the warm months.

About this open side could be built an area for relaxing, and in such a section you will find the vast majority of your swimmers. A small per-

centage ever is in the pool.

However, we would not approve a pool which would be too small to accommodate the population, and we have some doubt that we can afford to enclose a pool which would be big enough to meet the demand. So we may find one portion of our ideal shaved down a bit.

But perhaps we do not have to go all the way. Pools are being built with plastic tops that allow their use about six or seven months a year. The top keeps out the cool winds and picks up the heat of the sun. This certainly is worth a close look.

Whatever the size the pool is to be the dimensions should meet the official competitive size approved by national associations who control meets. Your young people will want to take part in competition and they will be handicapped if they constantly are swimming in a pool which does not meet specifications. This is vitally important in a long range plan, and involves dimensions only. The effect on cost is negligible.

We believe the pool should be a part of the high school. This serves two purposes, economy and con-

structive use. If the pool is close to the locker rooms, these can be built a bit larger to serve as dressing rooms, thus greatly reducing the cost that must be added if independent dressing rooms are built. Building the pool on Mulberry playground, as some have suggested, seems a waste of money to us, when the school is so close by and locker rooms can be used to serve a double purpose.

A pool as a part of the school adds much to its value. The young people of Warren should have the advantage of knowing how to swim, an advantage that would be worth even additional cost in the lives it certainly would save in later years. There is no healthier sport. There is no better body builder. And it is a skill that remains with you for life, and probably may save a few.

And now for the money. We suggest that 1959 will be a much better year for obtaining funds than will be the case this fall. Let us face the fact that our area plants are not booming and those year-end net profits can not be expected to be lush. In the lush years, money is

much easier to provide.

We estimate that our average major plant is suffering a business situation that is thirty to twenty-five percent below what it has been enjoying in recent good times. Yet only about ten per cent of the men have been laid off.

The men know this and they in turn are apt to be more cagey than usual with their dollars. This has been revealed in the buying habits of the public during the recession.

But all of us are confident that another twelve months will see a major change. And this kind of optimism will be strengthened if the upturn starts late this year and continues into the early months of 1959. In such a promising situation, pledges will be much easier to obtain from all levels of the economy.

To summarize, We believe we can come mighty close to having the best of pools, preferably one that will be plenty large enough, will have a separate diving area, and a nearby wading pool. It should meet national racing standards in dimension, and should be enclosed if possible. It

should be attached to the high school.

It can be built next summer, and with expected good times shaping up the money should not be too difficult to obtain. But we must do enough of this planning immediately if it is to be a part of the school. Those plans will be approved or disapproved this fall, and if the pool is to be included we should at least be ready for alternative bids . . . with and without. In such a case the architect must do his drawing accordingly.

The Observer will support any well-planned effort. It will oppose unprepared, ill informed approaches to the problem with a pool is a pool is a pool attitude. We believe we can afford the best, and that the best will save us money . . . and lives.

## BUYERS' CORNER

### THE PAST ILLUMINATES

The old gas light district may not return in kind but there may be some developments in your neighborhood which will make you wonder. The use of gas for lights is becoming popular, much to the consternation of electric companies and the delight of those who own gas stock.

For those wanting soft lights, perhaps of a romantic nature, such as restaurants, the gas light is being used, and the rate of acceptance is so rapid that the use may become quite extensive. Add to these the home owners who find them charming for outside lights, such as those bordering drives, and you suspect they are more than a passing fancy.

Naturally the gas companies are pleased. To enjoy the effects of a soft gas light you may spend as much for fuel as is used by your cooking range. That places smiles on the happy faces of those selling gas to millions of homes, and digs a fur-

row into the boys who want electricity to do all the work.

The answer, of course, must be a new light, which will be mellow, soft, shadowy, flickery, and most important . . . cheap.

### BENEFITS DOUBTED

The Federal Trade Commission has charged the makers of VCS Formula and Pounds-Off with misrepresenting their benefits. VCS lacks Vitamin A, calcium, and phosphorous, and does not supply all essential vitamins and minerals, says the charge.

Pounds-Off has to be taken more often than advertised and will not lose you a prescribed amount, nor is its anti-hunger ingredient a new discovery.

And you do not save significant sums by purchasing VCS, says the FTC.

### CONTINUED TROUBLE

We seldom bother to list the many violations of the fur labeling act. Usually they involve the companies from whom local stores would buy and the suffering would be done perhaps by the innocent. However, these notices also are for the protection of the many . . . namely, the buyers.

The law is quite clear on the labeling and pricing of furs. But the violations come swamping in with no sign of let-up. In most cases the charges are made and the defendants simply agree to a consent order to stop being bad boys. But the violations continue in large numbers.

Perhaps the press of the nation should be more attentive. The practice involves millions spent by readers of these papers. They deserve protection.

You as a buyer should closely inspect the label on any fur you consider purchasing. The label should clearly state what kind of fur is used in the wrap, and it should be printed, not written, on the label. Abbreviations should not be used.

### NEED WE REPEAT?

There is no known cure for baldness and beware of claims of a cure for dandruff. And so the makers of Don's Hair Formula are charged with false claims and the buyers are warned they are wasting their money.

### NOT NEW OIL

Royal Oil Corp., of Baltimore, Md., has been ordered to stop misrepresenting its reclaimed motor oil as a new product. Brand names are "Jet" and "Lubex".

### AIRLINE JOBS?

There is some question in the Federal Trade Commission's mind concerning the value of a correspondence course offered by the Northwest Air College, Inc. of Spokane, Washington, and the American Air College and Training School, of Seattle, Washington, just in case you are thinking of spending money in this way in order to become a hostess, steward, radio operator, or some other type of airline employee. Both schools are charged with misrepresenting opportunities afforded graduates.

It would seem to us that the smart step to take before spending your money for any correspondence course would be to check with your local high school. If it does not have a list of accredited correspondence schools it should know who does.

If you know what kind of a job it is you wish to fill, why not check with those having such jobs to see if they recognize the school you are considering. For example, why spend several hundred dollars on a course that is supposed to make you an airline hostess, if no line recognizes the graduates of that school.

The answer may sound simple, but there are many who take correspondence courses on the basis of the advertisement and not through their own knowledge gained through contact with those who can give the wanted answers.

No magazine or newspaper can screen out all the claims made by advertisers. Nor can any publisher police every advertising boast. Don't believe every puff made by those selling either a product or a service. The ad is a lead. Investigate! Those who have real faith in their product or service will be happy and willing to support their claims with proof.

No sincere business expects you to believe everything he says without proof. It is your money and your time. You should get what it is worth. Never be afraid or ashamed to thoroughly read the fine print on any paper you sign, no matter how small the transaction. You have a right to know the facts. The honest seller wants you to know them.

## NEWTON RESIGNS AS DIRECTOR OF INSTRUCTION; FOUR TEACHERS HIRED

The resignation of Gerald Newton, director of instruction in Warren schools for the past eight years, was accepted when the joint committee of the Warren Area Joint School Board met Monday night. He has been named to the assistant county superintendent post in Beaver County.

At the same time the board members employed Mrs. Meredyth Coe, James Jewell, Harry Daniefson, and T. Wayne King to teach during the coming year. Warren Carr was appointed guidance counselor at Beaty Jr. high school to replace Carl Harrison and Val Condio was given a leave of absence to accept a science scholarship at the Pennsylvania State University this fall. Herb Nichols, Beaty industrial arts teacher, was given a sabbatical leave.

Committee members Harris

Johnson and W. S. Calderwood were appointed to the Library Board; the estimates of the September, 1958, enrollment were considered--showing an increase of 130 pupils; the cost of school lunches was set at 30 cents, the same as it has been in the past.

GERALD NEWTON

The finance committee presented bills to be paid totalling \$20,299. Major items in this amount were \$9,143, contribution to the Public Schools Employees Retirement Bd.; \$1,393, new boiler tubes at Beaty; \$880, compensation insurance for the coming school year. Also approved were the adjusted bills for payments to the Authority for Beaty and the new high school amounting to \$249,945. Teachers and other employees are to receive \$155 in salary payments for illness beyond that allowed for by the state.

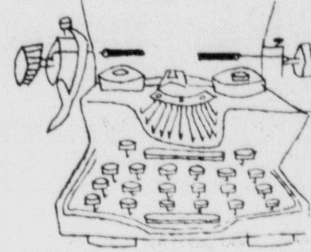

Bills approved consisted of \$133, substitutes employed; \$456, special services; \$735, janitors' overtime; \$21,951, orders written during the month. Costs were listed at \$1,860 in the cafeteria report for June and for the year.

Behrend Center was given permission to operate a Technical Institute for the coming year, with the registration dates set for Sept. 8 and 9; and the Music Boosters were offered Beaty lawn for a band concert and ice cream social August 7.

Purchases approved were books for next term, \$12,294; cafeteria supplies, \$731; ceramic supplies, \$98; plastics, \$142.

The committee decided to meet at the call of the president during August, if necessary.

## In Brief

**DRAFTEES.** Four Warren County men who departed for New Cumberland and induction into the armed forces Tuesday night were Thomas M. Baker, Bear Lake, the leader; Gordon W. Fitzgerald, Youngsville; Thomas J. Fitzgerald, Warren; and Joseph M. Miller, Grand Valley. \*\*\*

**MEN IN SERVICE.** Jack L. Huckabone, aviation boatswain's mate third class, USN, aboard the attack aircraft carrier USS Bennington, was visiting Victoria, British Columbia, July 10-15, with a Navy task group honoring the Canadian Province's Centenary Celebration and International Naval Review. He is the son of Mr. and Mrs. Ben Huckabone, Route 2, Warren. \*\*\*

**THE U. S. AIR FORCE** needs qualified dietitians, physical therapists and registered nurses. For further information contact Air Force recruiter S/Sgt. John C. Lambert, Room 18, City Hall, Bradford, Pa. \*\*\*

**THE REV. JOHN Z. ANDREE**, pastor of the Warren Church of the Nazarene, will be among the some 100 Nazarene pastors in western Pennsylvania who will give a progress report at the 16th annual assembly of Pittsburgh District Church in Butler, July 23-25.

Other members of the Warren Church who are delegates are Norman Jefferson, Charles Fuller and Mrs. Preston Taylor. \*\*\*

**TWO SCIENTIFIC PAPERS** by members of the Warren State Hospital staff have recently appeared in publications.

One paper, written by Dr. Arthur Hoshino and co-author Eugene Cease, chief psychologist at the hospital, appears in the current issue of "American Journal of Psychiatry" and is entitled "Iproniazid Phosphate in the Treatment of the Chronic Hospitalized Schizophrenic".

The other, with Dr. James Suess, clinical director of the hospital, as the author, is in "Psychiatric Quarterly" and is entitled "Mileau Activity Therapy with Chronically Disturbed Female Patients". \*\*\*

**PROMOTED.** Charles E. Schoenfeld, who has served as sergeant of police of the Pennsylvania Railroad since 1939 and spent the last several years in Warren, has been promoted to lieutenant of police. He will be in charge of the PRR lines in western Pennsylvania, extending as far south as Red Bank, below Oil City, and eastward to Renovo. The new appointment became effective Wednesday.

Replacing Mr. Schoenfeld in Warren is Sgt. C. J. Beach, of Buffalo, N.Y.

The lieutenant vacancy became open when Wilber P. Merritt, 70, retired following a career that extended over 50 years. Most of his police work was in the Erie and Warren areas. \*\*\*

**DRUG STORE BURGLARY.** Gaughn's Drug Store, at 348 Pennsylvania ave., W., Warren, was robbed of \$395 from a cash register drawer sometime early Saturday morning when the thief or thieves forced a metal plate from the back door and lifted the wooden cross bar to gain entry.

The break-in was discovered at 6:28 a.m. Borough police are investigating. \*\*\*

**BINGO.** Minor damage was caused about 4 p.m. Tuesday when Burt Mesler, R. D. 1, Clarendon, stopped for the traffic light at the intersection of Pennsylvania ave. and Parker st. and was struck in the rear by Conrad H. Irish, So. Dayton, N.Y. \*\*\*

**LATEST** to become pages in the Junior Crusade for safe driving now being sponsored by Farrah Grotto at the White Way Drive-In were Bruce Clemdening and Billy Peterson of Warren, and Gary Lyons, Youngsville. Twenty-two boys and girls participated in the second event last Sunday.

The first youngster to reach this category was Tim Schuler.

Drivers must pass the squire and knight tests also before they are ready to qualify for the Crusader Award. \*\*\*

**MISSED CURVE.** Donald Parker, 30, of Guys Mills, failed to make the curve when he turned off the three-lane onto the North Warren-Sugar Grove rd. just before six o'clock last evening and ended up in the ditch. Damage was only minor, but two passengers, Helen Parker and Baby Donald, suffered bruises.

**BOYS** -- Mr. and Mrs. Park Hodak, R.D. 1, Pittsfield; Mr. and Mrs. Mark Bevevino, 3091 Hazel st., Warren; Mr. and Mrs. Harry A. Duke, 73 Railroad st., Clarendon; Mr. and Mrs. John Stewart, Yule Tree Farm, Akeley; Mr. and Mrs. Salvadore Colera, El Cajon, Calif. (The mother is the former Nancy Gleason, daughter of Mrs. Gertrude Gleason, Warren). Mr. and Mrs. Edward McClellan, 565 W. Main st., Sheffield; Mr. and Mrs. John Saylor, R.D. 1, Gerry, N.Y.; Mr. and Mrs. Terry Highhouse, Calif.; Mr. and Mrs. Roderick McLeod, Warren.

### Deaths

**IRA J. HOFF**, 91, formerly of Warren and founder of the former Hoff Business College died Saturday in Buffalo, N.Y., where he had been living with his son. Services in his memory were conducted Tuesday at the Lutz-VerMilyea Funeral Home.

**WILLIAM L. NOBBS**, 76, formerly of Warren and a resident of Jamestown, died Sunday at his home. Services were held Wednesday in Jamestown.

**ORVAL W. ALBAUGH**, of 8 Crescent st., Warren, died Sunday in Warren General Hospital. Services in his memory will be held today, Thursday, at 2 p.m.

**JAMES WALTER HOLT**, 69, of 13 Nesmith st., Warren, died Thursday. Funeral services took place Sunday with the Rev. Gene Sackett officiating.

**MRS. ROBERT RUDE**, 33, of Rochester, N.Y., and formerly of Warren, died there Saturday. Survivors include her father, Leroy Stoddard, and Mrs. Elaine Snyder. Services were held Wednesday with burial in the Pine Grove cemetery in Russell.

**MRS. MARGARET A. MORRISON**, 78, of Russell, died at Warren General Hospital Tuesday. Services will begin at 2 p.m. Friday at the Templeton Funeral Home.

**CARL H. ANDERSON**, of Rochester, N.Y., died recently. Survivors include a sister, Mrs. Agnes Duncan, of Warren.

**MRS. MARY MULLEN CURTIS**, 71, of 256 Pa. ave., W., died suddenly Monday. Memorial services took place this morning, Thursday, in St. Joseph's Church with interment in St. Joseph's cemetery.

**IDA MAY SNYDER**, 79, of Grand Valley, died Sunday evening at a convalescent home in Oil City. Services were held Wednesday followed by burial in the Newton cemetery

(McIntosh Studio Photo)

MR. AND MRS. RONALD CROUSE

at Grand Valley.

**MRS. JOEL BLOOMQUIST**, 74, a native of Warren, died Sunday at her home in Riviera Beach, Fla. Funeral services will be held Friday in Jamestown.

**GEORGE H. CLIFTON**, 88, of 409 Prospect st., Warren, died at his home Wednesday. Funeral services will begin at 1:30 p.m. tomorrow, Friday, at the Peterson Funeral Home.

**MRS. SAM MORRISON**, 61, of 423 Hickory st., Warren, died Tuesday at the Keystone Nursing Home. Services in her memory will take place at the Lutz-VerMilyea Funeral Home tomorrow, Friday, starting at 2:30 p.m.

**JAMES F. FARR**, 78, of 103 Oak st., Sheffield, died Wednesday morning at his home. Funeral arrangements are incomplete at this time.

**MILTON H. CAUGHEY**, of Los Angeles, Calif., died suddenly Tuesday. Survivors include his parents, Mr. and Mrs. Francis M. Caughey, 10 Fourth ave., Warren.

**MISS CLARA WERLE**, 112 Crescent st., died early Wednesday afternoon at the Warren General Hospital. Funeral arrangements are not complete at this time.

### WANTED DESPERATELY

#### OLD EYE GLASSES AND CASES.

This request sounds rather odd but it is very serious and sincere. Brother Willard Gilpin of St. Barnabas House, North East, Pa., had the opportunity recently to visit in Haiti and observe the Church's ministry in that land. Particularly he noted the work of the Sisters of St. Margaret in Port au Prince. Here, great assistance is given to children who are deformed, with poor hearing and bad eyes, the result of the high incidence of disease in this land. The Sisters, by sending natives to the United States for training are able to fit, adapt, and re-grind glasses to give to those who need them.

Please look around and see what happened to that old pair of glasses you haven't used for years, ask your friends and neighbors, too, and send the glasses directly to St. Barnabas House, North East, Pa., or bring them to the office of Trinity Memorial Church and they will be sent on from there.

## Test Pit Being Opened At Proposed Dam Site

At the dam site of the Allegheny river reservoir there will be several small pieces of construction equipment for approximately ten days for the purpose of opening a test pit near the axis of the proposed dam and for sampling sand and gravel in the vicinity of the dam for possible use as aggregate. The contractor performing the work is the K. and M. Excavating Co. of Clarendon, Pa., Mr. Byron K. Gould is the corps of engineers inspector on the job.

PLEASANT TOWNSHIP residents will soon be happy.

The state now has a project well underway which will leave their road where it rests, but will replace the washed out and dangerous bank with a 22-foot berm.

At the present time construction men are clearing the Allegheny channel and side bank in preparation for the fill which will make the road a safe place to pass along.

## Finances And Teachers Discussed By Boro Board

Money matters and teachers filled out the agenda when the Warren Borough School Board convened for its July session Monday evening.

The resignation of Miss Delores Benson, first grade teacher at McClintock, was accepted. She has accepted a position in Montclair, N.J. Miss Sarah Jane Huston was engaged to instruct in the elementary schools.

The finance committee's recommendation to pay bills in an amount of \$19,223.36 was approved. This total includes \$7,524.81, a contribution to the Retirement Board; and \$4,029.11, tax collector's bond for the coming four years.

Payments approved were \$66.50, substitutes employed at the close of the school year; \$1,337.50, June recreation program; \$248.51, special services; \$295.24, janitors' overtime; \$23,273.72, orders written during the month for materials to begin the next school year. The school officials also appropriated \$102.52 to help reimburse teachers who were ill beyond the amount provided by the state.

A notice was received by the group which listed the market value of real estate for the current year at \$38,364,900. The assessed value is 38.6 per cent of this amount. The figure is an increase of \$481,400 over last year.

Purchases approved consisted of \$9,399.53, books; \$487.19, instructional supplies; \$913.67, electric supplies; \$763.47, hardware supplies; \$787.78, music supplies; \$183.12, notions; \$134.10, projection lamps; \$1,999.23, science supplies; \$155.00, tuning of pianos.

The state reimbursed the board \$60,824.74 for the amount paid on Jefferson and Beaty rentals, and \$179.73 for the May milk fund.

An adjourned meeting of the school body will be held August 20.

July 23 - 12:15, Kiwanis.

**PENNSYLVANIA PSYCHIATRIC TECHNICIANS** . . . will meet Monday evening in the dining room of North Annex B to discuss plans for the family picnic scheduled for Saturday, August 2 at 1 p.m. The day at Wildcat Park will include swimming, softball and tennis.

## CARD OF THANKS

Warren-Forest Council, Girl Scouts of America, wishes to express their appreciation to the service clubs providing camp fees for a number of girls now attending established camp at Camp Birdsell Edey.

The committee's decision to award camperships was made at such a late date that many groups interested had not put the amount into their budget. Clubs donating partial or one or more camperships in Warren are Kiwanis, Lions, Rotary and Zonta. Youngsville Kiwanis arranged for a Youngsville scout to attend camp. These girls would not have been able to participate in such a camping program and in their behalf the Council says "thanks".

CERTIFICATES for over 25 years of service at Warren State Hospital were awarded to a group of employees, Friday evening, when Dr. Robert H. Israel and Mrs. Israel entertained at a dinner party on the lawn of "Fair Acre", the superintendent's home, at the Hospital.

Don C. Smith, president of the hospital's Board of Trustees, presented the certificates and the award also included pins from the Pennsylvania Mental Hospital Association. Dr. John Urbaitis, assistant superintendent, and Mrs. Urbaitis were present.

In the picture, those who were honored, left to right, are: Harold P. Utley, R. N., 28 years; Loren N. Mourer, 27 years; Carl F. Glans, P. T., 27 years; Bertha K. Smith, O. T., 28 years; William R. Coole, 28 years; Gertrude Clendenning, 25 years; Emma S. Sweeney, 27 years; Allis Kohler, 28 years; Ray Goodwin, 27 years; Maurice Perry, 26 years. Not present were Ernest E. Hoskins, 27 years, and Miriam Pad-en, 25 years, 8-1/2 months. Of the 12, Mr. Goodwin and Mr. Hoskins are now retired.

(Photo by Nikolaus Szeverenyi)

THIS DELEGATION FROM St. Joseph's Church returned recently after spending six days at SSCA (Summer School of Catholic Action). They are (l. to r.) Sally Scalise, Francis Richwalsky, Elsie Musante, and Linda Lytle; Gerald Damond and Joe Manno.

## Bridge — Play

### MARCONI BRIDGE

## Play Time

DRAMA - TV - RADIO - MUSIC - READING - HOBBIES

### BOTH EARS

You are about to be confronted with a mass attack by those who sell records, phonographs, radios, and similar gadgets. They want you to enjoy your music and programs with both ears. This is better known as stereo sound.

The major producers of records and record players are embarking on a high pressure advertising campaign to sell music in stereo form. Such phonographs have one speaker built into the machine and the other sits across the room with a wire connecting it with the machine.

The music comes on discs, which suggests what is about to happen to the supplies of records people have accumulated. It will take a few million to replace them.

The results will have to be good, and the prediction is that the music will be so real that most of us will be fighting for new discs and machines, happily ringing many cash registers and pleasing all who enjoy music by means of tunes in depth, and from both directions.

Some FM radio stations already

are in on the act with the use of multiplex. But there are but a few neighboring stations who can pick them up. Or their double sound is wired into such places as restaurants where the commercials are eliminated and the music received.

At the present time the only way you can enjoy hi fi radio reception is to tune in with two sets. One on FM and the other on AM if the local station cooperates by playing music on both. But this will be changed when multiplex is in full bloom.

The two then will not be needed. You will be able to receive all of the hi fi results by dialing in FM only. In fact it can be done only on FM.

You still will be out of luck if you don't own a set that can receive stereo sound when so broadcast. But ingenious men with ways of earning money are inventing the answer to that one, and in fact already have adapters about ready for installation on your radio.

These will cost about \$50.

The wonderful world of hi fi, quality music is coming up fast and you who truly enjoy music that comes close to being the same as though it were played in your home will be able to have it with a minimum of effort . . . though perhaps a maximum of dollars.

They say that the change will be even more radical than that between the LP and the 78. The quality will be so much greater that all of us will want new phonographs, and radios which can receive multiplexed programs.

And those of you have kept pace with radio and television probably already are aware of what the next step will be. Radio needs this shot in the antenna, but don't expect its big brother, television, to stand still. The television sound is FM. Which can be multiplexed, or stereo sound, or however you want to describe the new quality.

The ultimate of the near future in television will be pictures in true color and music in true sound. The world and the concert stage come ever closer to your living room.

Some of us are perplexed. Others are complexed. And all of us are about to be multiplexed. The sound barrier is no more, and there is no place to hide. But think what you can buy for Christmas.

Who ever thought the recession would be terminated by a noise?

FOURTEEN NEW MEMBERS of the Pennsylvania Psychiatric Technicians Association received their diplomas during commencement exercises conducted last week at the

Warren State Hospital.

Members of the class are (l. to r.) S. R. Campbell, Don Neal, E. W. McBride, Patricia Fitch, Schuyler Beebe, Ruth Vashaw, W. E. Bidwell,

(Photo by Nikolaus Szeverenyi) Dr. Robert H. Israel, hospital superintendent, Tom Wineriter, June Switzer, Mason Stowe, Eleanor Bidwell, Jim Lawson, Ed Gustafson and Fritz Mack.

"The Standard of Local Housewives for Over 30 Years"

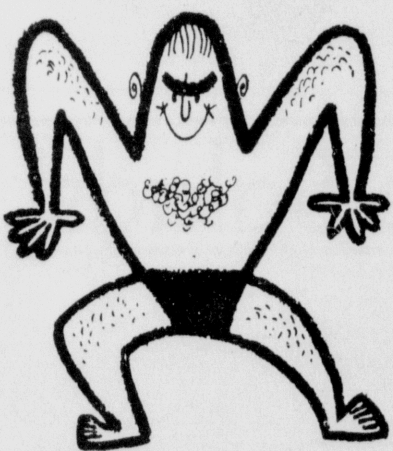

FAMOUS for his floral arranging, Clark Kennedy is seen as he com-

pletes a candelabra design using white larkspur and leaves.

MRS. H. R. SHAUBERGER, of Albion, Pa., attending the program with her daughter, Mrs. Eugene Cease, received this lovely goblet filled with roses, lilies, and ivy.

### He's a wrestler-but not with insurance

He's got the famous HOMEOWNER'S POLICY that gives him four necessary kinds of insurance in just one policy! And at a saving of up to 20%, too!

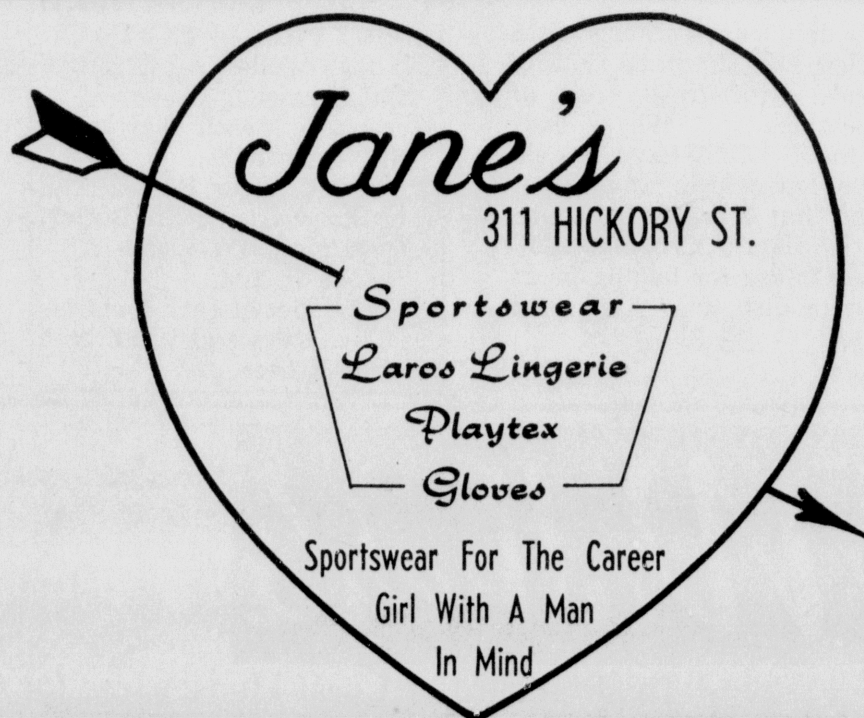

No more inconvenience . . . separate premiums . . . red tape . . . confusion.

Just one simple money-saving HOMEOWNER'S POLICY. Why not call us for details:

MRS. GEORGE KONKOL was the themums placed in a quarter section recipient of this arrangement made of a watermelon. up of white delphinium and chrysan-

## Flower Magic . . .

By Clare Erickson

Magic with flowers was performed by Clark Kennedy, nationally known floral arranger, when the Warren Garden Club presented him in a lecture-demonstration program last Thursday afternoon at the YWCA.

Lettuce and lilies, onions and cherries were among the many unusual combinations used to demonstrate to the audience that other garden plants besides flowers are useful. Weeds can be beautiful, said Mr. Kennedy, so before disposing of those bothersome plants take an inventory and see what attractive arrangements can be made with them. One must be daring and experiment with contrasting colors and textures to create an arrangement which is entirely original. And original is the word for his design which consisted of white delphinium and chrysanthemums with lemon leaves placed in a quarter of a watermelon.

One of the loveliest creations to be used on a coffee or dinner table contained several amethyst goblets in varying sizes filled with tiny roses, lilies and sprays of ivy. Adding a lavender glow to this arrangement were tiny German candles floating in several more goblets. This was a favorite among the 175 people watching.

A helpful suggestion was given for decorations at a party where the guests are walking around and standing. Flowers should be kept within the eye-range of the guests, that being between five and ten feet above the floor. One idea for this is to suspend the arrangement from the ceiling or chandelier.

Although Mr. Kennedy's work looked like magic, the arrangements made are easy enough for the amateur arranger to create. Imagination and patience plus a few flowers will produce a surprising and pleasing result.

TE LA DI O

NOW AND LATER

**CONCENTRATION** is NBC-TV's latest contribution to network game shows. Starting Monday, July 28, on a Monday-through-Friday schedule, at 11:30 a.m.-12 noon, the shows host will be Hugh Downs, announcer on the "Jack Paar Show". "Concentration", based on the children's game of that name, will pit one contestant against another in an effort to identify a "mystery puzzle". Winners may return each day until defeated.

**CATHOLIC HOUR** returns August 3 in a new time period, Sundays 5-5:30 p.m., on NBC-TV. The "Rome Eternal" series, four half-hour films, will be repeated during August.

**COMMENT**, on the NBC-TV network, will present a special news report on Sunday, Aug. 10, 5:30-6 p.m., "Weather Control" will be an analysis of the vast untapped forces of the weather. Taking part in the documentary will be leading experts in the weather field.

**OMNIBUS** will return to the NBC-TV network next fall with fifteen Sunday afternoon programs, 5-6 p.m. In addition, Robert Saudek Associates, producers of Omnibus, will present several 90-minute special nighttime shows. Sponsors of Omnibus have not yet been announced.

**BEHIND CLOSED DOORS**, a filmed series dealing with dramatic cases of American counter-espionage, will be seen on the NBC-TV network starting Oct. 2 (Thursday) 9-9:30 p.m.

**BELL TELEPHONE** will sponsor eight special one-hour programs during the 1958-59 season, four devoted to science and four to music and dance. The first will be shown on Thursday, Oct. 23, a science program.

\*\*\*

**FATE OF BUFFALO CHANNELS**

According to a popular trade magazine, WGR-TV in Buffalo will become entirely an NBC-TV channel, forsaking its present affiliation with ABC. Buffalo's third channel, replacing the present WBUF, is to be Channel 7, WKBW, and will be ABC. After several years of haggling over the fate of a third channel, the FTC has finally given the nod to WKBW. This area will be deprived of ABC network programming if the new channel is confined to the Buffalo area because of signal strength.

\*\*\*

**PAY-TV IN CANADA**

Undaunted by the failure of Pay-TV as experimented with in Bartlesville, Okla. and other key spots in the U.S., Canada is about to try the system. London, Ontario, is about to launch a wired system which is to be in operation in early 1959. The experiment is being sponsored by "Famous Players", an organization now negotiating with a Paramount Pictures subsidiary. If any measure of success is obtained, Vancouver will be added to the system.

DIAL SPINNERS

**HOW GOOD ARE SOVIET COLLEGES?** will be the subject of a special news report on Russian education at 7:30 p.m. Friday on WBUF. NBC's roving news reporter and analyst Chet Huntley will interview three American educators just returned to Paris from Moscow, the first to be permitted behind the Iron Curtain to observe Russian teaching methods at work. To be interviewed are the chancellor of the University of Pittsburgh, the president of Cornell University and the president of the Council for Financial Aid to Education.

**DESTINY**, a top summer dramatic series, bows in Friday night at 8:30 on the CBS network with a suspense tale titled "The Traveling Corpse".

**UNIVERSITY OF BUFFALO** Medical Roundtable discusses "Strokes" at 7 p.m. Saturday on WBEN-TV.

**YOUTH WANTS TO KNOW**, NBC network offering at 4:30-5 p.m. Sunday, will interview Dr. Leroy E. Burney, surgeon general of the Public Health Service of the U.S. Dept. of Health, Education and Welfare.

**OUTLOOK**, NBC's top-rated news program seen in this area only on WBUF, will present at 6:30-7 p.m. Sunday a progress report on the first weeks of the Gaullist regime of the French government, Chet Huntley is editor of "Outlook".

**LOOK UP AND LIVE** traces the emotional development of a typical teenager as she grows into adulthood in the second of the summer series called "Diary of a Teenager" seen at 12:30 noon Sunday on WBEN-TV.

**20TH CENTURY AIR POWER** at 6:30 p.m. Sunday on CBS channels brings an episode entitled "The 1930's", depicting the depression era in the U.S., the rise of world dictators and the related development of the B-17 Flying Fortress as Hitler's legions began overrunning Europe. Narrators will be Walter Cronkite and Lt. Gen James H. Doolittle, USAF (Ret.).

**ED SULLIVAN** presents his "Fifth Annual All-Army Talent Show" Sunday night at 8:00. Mickey Rooney and Teresa Brewer will be co-hosts in place of Sullivan. Top talent winners of preliminary contests held at Army posts throughout the world will appear in the finals on the program.

**THE RUBLE WAR** - Russia's Economic Threat to America, is a special full-hour CBS News Report to the American people on Soviet economic penetration of Europe and the under-developed countries, and will be telecast over WBEN-TV Monday night at 10:00 and broadcast over WBEN Radio Wednesday night at 8:00 (July 23). Convinced that Russia's expanding foreign aid and trade program represents "the most serious challenge ever faced by this country in peacetime", CBS has assigned some of its leading correspondents to make the report.

## Sports Dial...

BOXING - Lightweight Bobby Scanlon, of San Francisco, risks his unbeaten record in a 10-round match with Gale Kerwin, of Valley Stream, N.Y., at Madison Square Garden Friday, July 18, at 10 p.m. This will be covered by Gillette Cavalcade of Sports on NBC-TV and Radio.

BASEBALL - NBC Major League Baseball event at 2 p.m. Saturday will be between the Detroit Tigers and Boston Red Sox at Fenway Park in Boston. The two teams are involved in a battle for second place in the American League. WICU-WBUF.

CBS Baseball Game of the Week at 2:25 p.m. Saturday will be St. Louis Cardinals vs. Cincinnati Redlegs. WBEN-WFBG-WSEE.

CBS Baseball Game of Week or Sunday at 1:5 p.m. will be carried by WFBG and WSEE and will feature the Cleveland Tigers at Baltimore.

SOCCER - National League Soccer Matches, seen on WBEN-TV at 3 p.m. Sundays, will cover a battle between the Canadian Scots and Montreal Hungaria.

RACING - If time permits following the CBS baseball game Saturday afternoon, the Dwyer Handicap will be carried by WBEN and WSEE. This is for 3-year-olds over a mile and three-sixteenths course for a \$40,000 added purse at Jamaica Race Track, N.Y.

"Racing from Monmouth" will be seen on NBC-TV for three consecutive Saturdays starting this weekend. At 5-5:30 p.m. Saturday will be seen the \$100,000-added Monmouth Handicap, the field of thirty-one horses headed by Bold Ruler whose jockey, Eddie Arcaro, won the race in 1956 on Nashua and with Dedicate in 1957. WJAC.

GOLF - The 40th annual PGA tournament will be televised from 5:30 to 6:30 Sunday on WBEN-TV. The tournament is being played at Haverton, Pa.

## Something to Smile About

It's easy to see that Sue is preparing for something special. Whoever the fellow is — and we have a suspicion there is one, he's going to be mighty proud of her company . . . at dance, bridge or fire side.

Sue is satisfied that the systematic care she gives skin and hair will stand her in good stead . . . And that her refreshing day's-end bath—her next step toward a pleasant evening, will quickly perk up lagging energy.

(There's a bath for every occasion)

JEFFERSON SCHOOL girls graduated last Friday from the playground cooking school conducted at

the Penelec demonstration center. Mrs. Evelyn Overturf (r.), home

economist, and Miss Kay Davis, her assistant, are pictured with this

group. The other groups pictured are also from Jefferson.

Lecturers include Maxwell D. Taylor, Army Chief of Staff, the Hon. Cecil H. Underwood, Governor of West Virginia, and Carleton Putnam, author of "Theodore Roosevelt, Vol. one, The Formative Years, 1858-1886".

The symphony orchestra will present the World Premiere of "Overture to an American" by William Mayer dedicated to the Roosevelt Centennial Tuesday evening.

An exhibition of Water Colors begins Saturday continuing through Friday, August 1 and includes pictures on loan from the Norton Art Gallery, West Palm Beach, Florida, being shown in the Art Assoc. Main Gallery. A graphic show, "A Decade of Print Making" by Worden Day, artist from New York City, is exhibited in the Mezzanine Gallery and an exhibition of weaving by the South Shore Weavers can be seen in the Main Gallery.

## Morning Devotions

The two Warren County ministers who are scheduled to conduct morning devotions over WNLB at 8:45 o'clock each morning next week are the Rev. C. C. Headlund (Monday, Tuesday and Wednesday), and the Rev. Jack Parsons (Thursday, Friday and Saturday).

# Photos Of Third Annual Jaycee Soap Box Derby Classic

RACE DRIVERS pushed their cars from the finish line to the starting ramp in a grand parade to open the 1958 Warren Area Soap Box Derby.

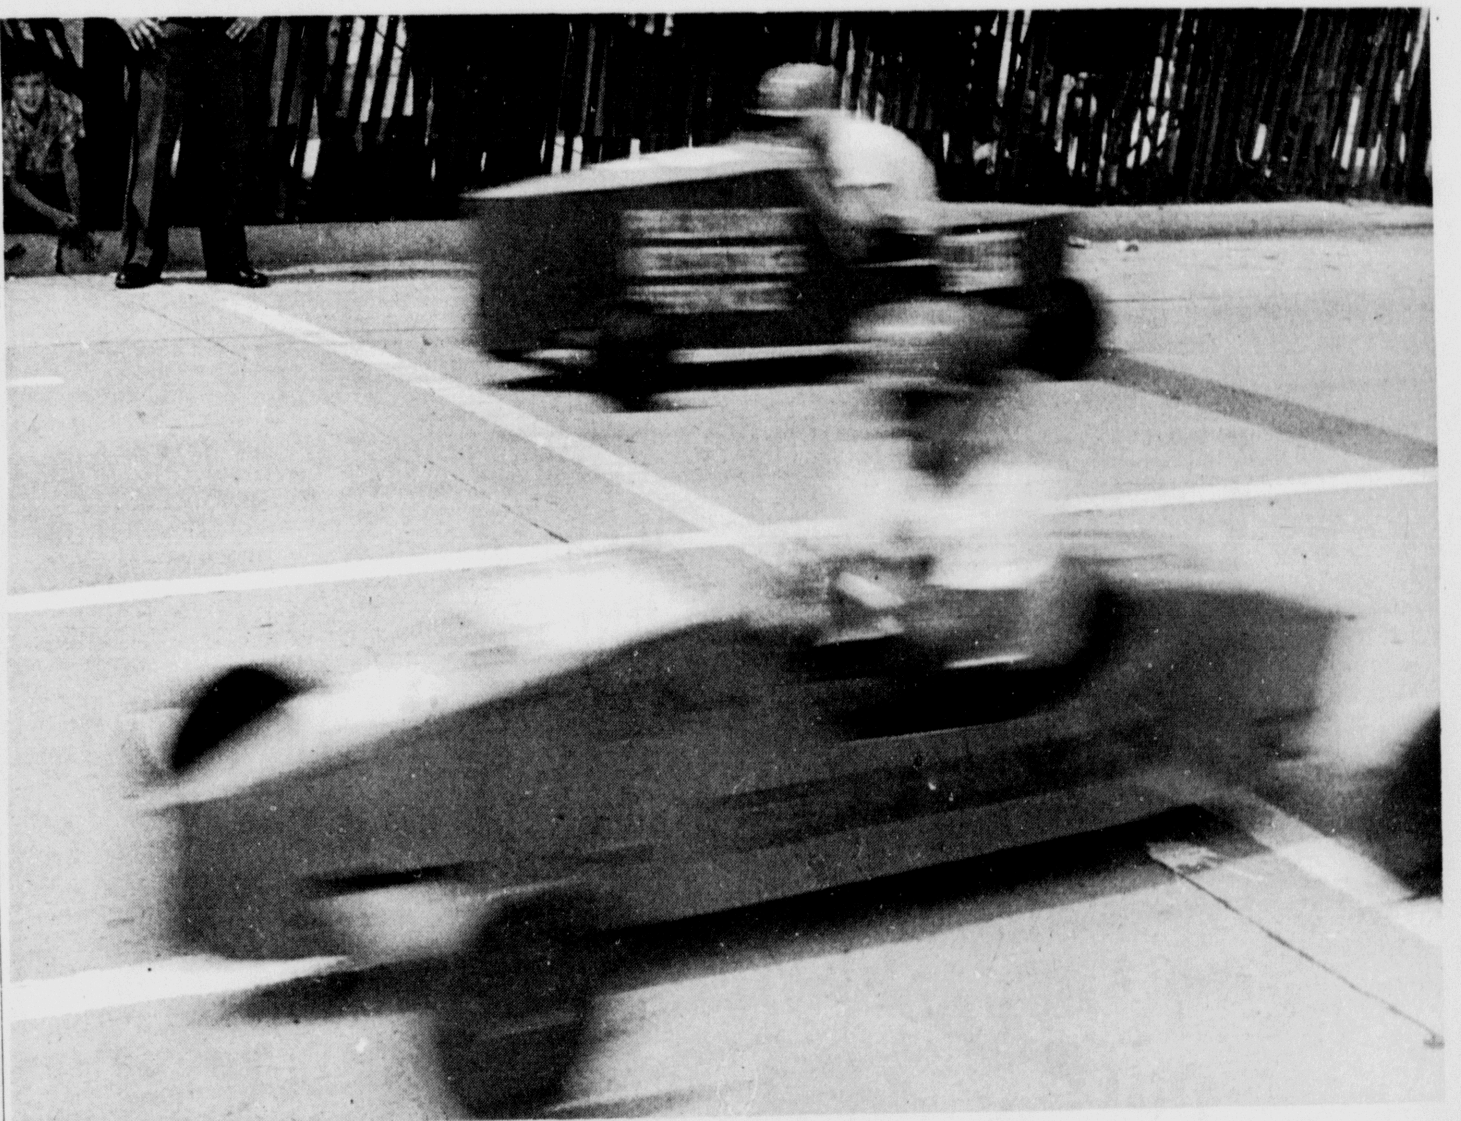

Race drivers in the 11 and 12 year old bracket competed in Class B and boys age 13 to 15 were entered in Class A competition.

AKRON BOUND -- Manford Rydholm, 15 year old son of Mr. and Mrs. Everett Rydholm, Youngsville, will represent the Warren area in the 21st All-American Soap Box Derby in Akron, Ohio, on Sunday, August 17. A junior at Youngs-

ville High School in September, the young derby winner would like to study engineering when he completes his high school course.

The first five prizes in the Akron races are college scholarships.

FLASHING across the finish line first in one of his qualifying runs for Saturday's championship is Manford Rydholm, in Car 2, sponsored by Dale's Keystone Station in Youngsville.

In his climb toward the cham-

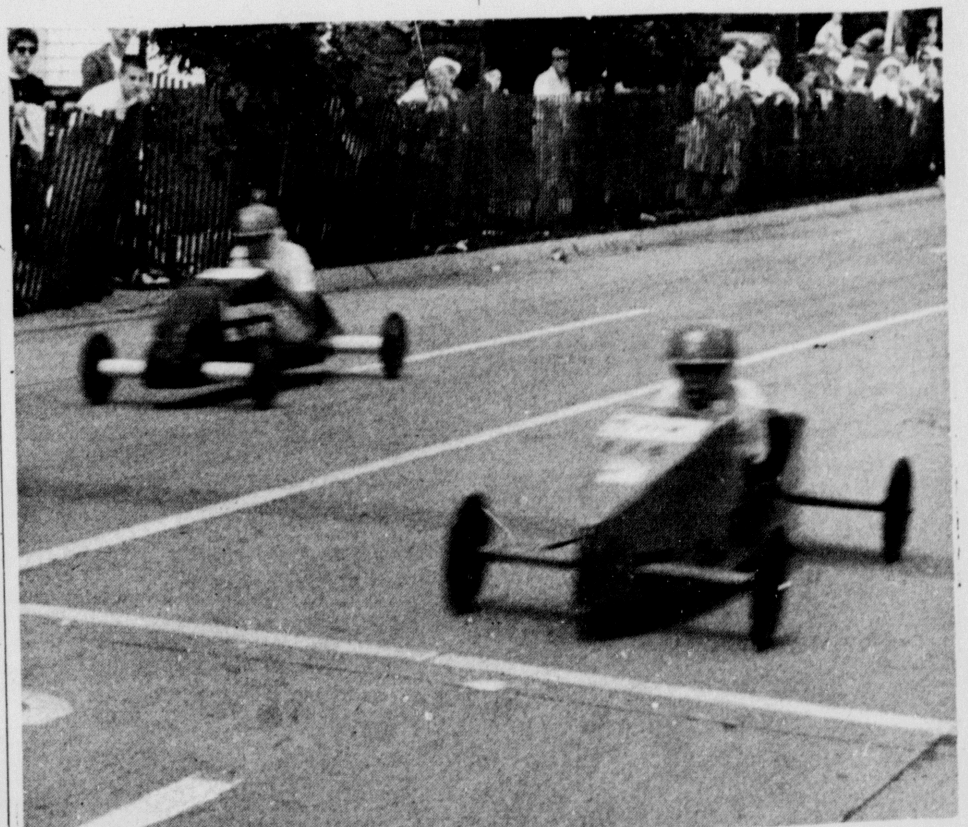

pionship, Rydholm nosed out Clifford Church with a time of 24.2 seconds, finished ahead of Robert Covell in the identical time of 24.2 seconds, beat Ray Nelson in 23.8 seconds, the best time of the after-

noon, outraced Allen Keller in 24.2 seconds, took Ed Kutschke in 24.2 seconds to win the Class A championship and then nosed out Bruce Matve in the championship race with a time of 24.4 seconds.

CANDY STRIPERS rode to the

races in a 15-seater station wagon.

WINNING the Class B championship and the right to meet the Class A winner in the race to determine the Warren area's representative at the soap box derby in Akron is

11-year-old Bruce Matve, shown here on the right crossing the finish line ahead of Robert Crossett, Jr. Matve's winning time was 24.6 seconds.

UNUSUAL HONORS have been many for Lionel Callaway, amiable golf professional, who now operates his own course on Lake Chautauqua. Golfers from the Florida area where he teaches the game during the winter this past season presented him with this serving dish. In case the picture doesn't come out well we quote the working:

"An award from golfers, to Lionel F. Callaway, 'the Einstein of golf', 45 years a golf pro, inventor and designer of special clubs, architect and builder of golf courses. Author of 'course rating system' and 'Callaway handicap system', Conceived-national birdie battle--and National Golf Day--Originator of miniature courses and driving ranges. Golf's outstanding teacher."

That is pouring it on very thick, but Lionel is a colorful pro of the old school, learning his game on famous English courses when a young man. He constantly is striving for golf improvements, his latest being a teaching device that grooves your "plane".

FOUNDER of Warren's Hot Stove League, police officer Charles Musante, will be honored at the Kiwanis Club sponsored Hot Stove World Series Day August 9. Charlie originated the league in this area nine years ago.

He is flanked here by four present-day Hot Stovers, (l. to r.) Mark Gellotte, Dan Tomassoni, Gary Cooper, and Jim Oriole.

## Area Sports

#### FOOTBALL NEWS STARTS

Football news is commencing to edge its way into the sports scene even though it is only the middle of the summer.

In Jamestown, N.Y., a semi-pro team is being formed to participate in the Western New York Semi-Pro Football conference. Twenty four players, including nine former Jamestown High School performers, are already under contract.

The team will be coached by Jim Conti, a teacher, who is a former JHS player. The team is attempting to schedule a home opener on Labor Day if possible.

Joe Massey has resigned his football coaching position at Ridgway High School. The former Youngsville mentor will coach football in southwestern Pennsylvania.

#### BASEBALL TRYOUTS TOMORROW

Potential major league baseball players between the ages of 17 and 23 will be evaluated by St. Louis Cardinal scouts George Kissell and "Barney" Smith at tryout sessions at Jamestown Municipal Stadium tomorrow and Saturday. Workouts both mornings will commence at 10 a.m.

Each boy attending the tryouts will furnish his own glove, shoes and uniform, if he has one. The Red Birds will furnish the balls, bats and catching equipment.

Any player signed to a contract with one of the Cardinal-operated clubs will be reimbursed for his expenses incurred in attending the sessions.

American Legion players must have a letter of approval from either their Legion coach or Post Commander before attending the tryouts.

#### INTER-CITY BASEBALL

The Ludlow Wildcats defeated the Warren Rockets, 4 to 2, at Ludlow last Sunday to nail down second place in the Inter-City Baseball circuit. Marlin Rockwell leads the loop with 10 wins and one loss, Ludlow trails with 8 wins and 4 defeats and the Rockets are in third position with seven victories and 5 setbacks.

Ludlow scored three times in the third frame and once more in the fourth inning without an extra base hit. The 'Cats collected only seven singles during the game.

The Rockets scored one run in

the fourth inning on Connie Hultman's triple followed by Barry Drexler's single and again in the eighth inning on Kulbacki's home-run.

Larry Wilson pitched for Ludlow and Ed Rickerson was on the mound for the Rockets.

\*\*\*

#### CITY SOFTBALL ACTION

Nino's Restaurant came from behind to edge Struthers Wells, 9 to 8, in a rain abbreviated Warren City Softball league game. Trailing 8 to 4, Nino's exploded for 5 runs in the bottom of the sixth.

Snuffy Stephens homered and doubled and Fred Henry and John Berdine doubled for the winners. Bob Wolfe poked a double for Struthers.

John Berdine, winning pitcher, hit safely in his three official trips to the plate.

\*\*\*

#### LATE HOT STOVE

Walters Hardware clipped Printz Co., 14 to 3, in a Midget League, Western Division contest. Mulvey, winning pitcher, homered and doubled for Walter's.

Youngsville Legion pushed across 4 runs in the last inning to turn back Betts, 5 to 2. Fehlman and Kulbacki was the Youngsville battery.

In their second Junior League contest of the week, Youngsville dumped Industrial Oil, 7 to 2. McMeans hurled the win for Youngsville.

ORDINANCE  
NO. 685

AN ORDINANCE APPROVING AND ESTABLISHING THE GRADES, STRUCTURES, AND ALL OTHER STRUCTURES APPEARING ON THE PLAN OF THE DEPARTMENT OF HIGHWAYS OF THE COMMONWEALTH OF PENNSYLVANIA, SHOWING PROPOSED IMPROVEMENT ON JACKSON AVENUE, IN THE BOROUGH OF WARREN, PENNSYLVANIA; ADOPTING THE SAID PLAN AS THE OFFICIAL BOROUGH PLAN FOR SAID STREET AND PROVIDING FOR THE REMOVAL OF NON-UTILITY STRUCTURES.

WHEREAS, The Department of Highways has submitted to the Borough Council of Warren Borough a plan showing the proposed construction and change of grade of a portion of State Highway Route No. 61036 on Jackson Avenue, from Station 0+32.00 to Station 30+00.00 a distance of 2968.00 feet, as shown by the said plan prepared and submitted by the Department of Highways, approved June 24th, 1958, by the Chief Engineer of the Department of Highways.

SECTION 1. BE IT ENACTED AND ORDAINED by the Town Council of the Borough of Warren, and it is hereby enacted and ordained by authority of the same, that the grades, drainage structures, and all other structures shown on the plans prepared and submitted by the Department of Highways as aforesaid, be, and the same are adopted, and are hereby enacted and ordained as and for the true and proper grades, drainage structures, and other structures of and for Jackson Avenue as shown on the said plan, which is hereby adopted as the Official Borough Plan for the said Street. This Ordinance is all in accordance with Agreement between the Commonwealth of Pennsylvania and the Borough of Warren, dated June 12, 1958, wherein Borough agrees to contribute \$16,500.00 as its share of the cost of the work to be done.

SECTION 2. The Borough hereby assumes responsibility for the removal of all non-utility structures where necessary for the opening or improvement in accordance with the aforesaid plan.

SECTION 3. The President of the Borough Council and the Burgess are hereby authorized to express the approval of the Borough to the change of grade of the aforesaid State Highway Route, by affixing their signatures, and the Borough Seal, to the said relocation plan.

SECTION 4. All ordinances or parts of ordinances inconsistent herewith be and the same are hereby repealed.

SECTION 5. This ordinance shall be effective immediately upon its approval as provided by law.

Enacted into an ordinance and passed at a session of Council of the Borough of Warren held this 14th day of July, A. D. 1958.

Adopted this 14th day of July, 1958  
Leon Laskaris,  
President of Council

ATTEST:  
G. A. Geracimos,  
Borough Secretary  
Approved this 15th day of July, 1958  
William E. Rice,  
Burgess

BOYS SHOOT WELL

Warren's two entries in the state junior golf tournament at Carlisle, sponsored by the Jaycees, played respectable golf and placed well in the finals. Ross Kremer had an 81 to qualify and finished fifteenth in the field with a 43 for the final nine holes.

Vince Toscano suffered a pair of bad holes and failed to qualify with his 89. But Vince came through in the driving contest with a 252-yard blast that was good for second place, only a yard short of the winner.

The construction of a public course in Warren would see the sport become one of our major activities and the boys would have a chance to develop in a way that would place them well up in the field at the many events which are staged for junior shooters.

SCHOLARSHIP PLANNED

When the junior golf tournament is held on the Jamestown Moon Brook course next summer for area participants, the winner will receive a scholarship. Clubs of the section will put a nickle in the scholarship box every time a round is played. If all the clubs participate, a very fat check should be available.

THE WINNERS

Men golfers at the CVCC had a par, birdie, eagle tournament last week, with Skip Morine and Bob Blair scoring eight points for a first flight tie. Bob Camp had three in the second flight, Dr. Giunta had five in the third, and Joe Gobliger three in the fourth.

Best golf of the day was shot by Pete Juliano who had a 39. Other score winners were Walt Dremann and George Konkol, 42 in the second; Frank Perrin and Al Loranger, 42 in the third, and Bill Walker, 47 in the fourth.

LADY LEADERS

Pacing the lady swingers this week at the CVCC was Mrs. Hal Conarro who posted an 84. Net winners in each division were: First division, Mrs. Tom Fisher, first, and Mrs. Wendell Lawson, second; second division, Mrs. William Rice, first, Mrs. Francis Ericsson, second; third division, Mrs. Merle Kremer, first, and Mrs. Scotty Calderwood, second.

The special for the day was a match against the score fired by

the professional, Fred Lindstrom, who came in with 37-42-79. Beating him with the help of handicaps were: Mrs. Conarro, Mrs. Rice, Mrs. Fred Martin, Mrs. Harry Kopf, and Mrs. George Konkol.

MORE FEMININE HONORS

Warren ladies again did well in the Northwestern Pennsylvania Women's Golf Association tournament when they visited Kalkwa last Friday. Mrs. Wendell Lawson, Mrs. John Carter, and Mrs. Homer Culbertson finished second, third and fourth in the first division. Mrs. E. G. Hamilton and Carol Blackman tied for first in the third division. Mrs. H. L. Banghart was second and Mrs. W. E. Fuelhardt was third. Mrs. W. R. Walsh had the fewest putts in division three.

HOLE-IN-ONE TOURNEY

The Jaycees are in the process of organizing a Hole-In-One Golf tournament to be held sometime in August. Likely site at the present is Beaty Field.

The sporting event will be an all day affair with prizes going to those who get a hole-in-one, or at least come close.

INDUSTRIAL GOLF LEAGUE

In Tuesday play, Logan's downed the Observer, 3 to 2, Sylvania #1 took Carlson Motors, 3 to 2, and Sylvania Office and Ludlow split, 2 to 2.

Last night matches saw 3 to 2 results for Chemical Products over Struthers, Powleys over Seneca Lumber, United Refinery over Bill's Driving Range, and DeLuxe over Cunningham's Restaurant. The New York Restaurant took National Forge, 4 to 1, and Loranger swept Valone Cleaner, 5 to 0.

Logan's leads the loop with 36 points, followed closely by Sylvania No. 1 with 35. Tied at 31 are New York Restaurant and Chemical Products.

Low scores this week were posted by Dick Krapfel, 36, and Joe Brindis, Ross Fisher, and John Smith, 39. Creed Erickson got the jackpot with 42 less 8 for a net 34.

# IMPORTANT CHANGES

## in Youngsville telephone service

# COMING JULY 23

### NEW DIAL OFFICE • NEW BUILDING ADDITION

A major expansion of telephone service is now taking place in Youngsville. To supply the increasing needs of this growing community, a new, larger dial central office is being installed; and a substantial addition has been made to the present building to house the new equipment.

#### NEW CENTRAL OFFICE NAME — LOGAN NEW 2-LETTER, 5-FIGURE DIALING

Starting Wednesday July 23, at 6 A.M., Daylight Saving Time, Youngsville customers will have a new central office name, **LOGAN**; and the 2-letter, 5-figure system of dialing will be in effect.

This means that when you call from one **LOGAN** telephone to another, you will dial the first two letters of the central office name, then the five figures of the number. For instance, to dial **LOGAN 3-1234**, you will dial the letter **L**... then the **O**... for **LOGAN**; then **3-1-2-3-4**—seven spins of the dial.

These new telephone improvements—made at a cost of \$125,000—will mean better service now, and even greater improvements in the future, when Youngsville (**LOGAN**) customers will be able to dial direct to many telephones throughout this country and Canada.

## OUTDOORS

### MORE FISHING

Two Fish Commission announcements this past week should mean more, and maybe better, fishing for Warren County. Though trout fishing will end on most streams the last of September, there are thirty ponds and lakes on which the anglers can cast their lines until October 31. Included is Chapman Dam in Warren county, and Lake Pleasant in Erie county.

Also among the eight runs being improved for better fishing is one in Warren county. This is Blue Eye, located in the western part of the county, beyond Pittsfield.

Though the release doesn't say what is to be done, we assume that pools will be created, protection assured, and fishing situations provided that will afford you a sporting cast of your fly, and perhaps assure you that a fish may be there to strike it.

\*\*\*

### PIG SHOOTING TIME

The woodchuck is out there now waiting for you to drill him. And many are the boys who enjoy sighting a rifle to see how accurate they can be at long distances.

This is fine, if you can be sure you are looking at a chuck and not the head of a lounging human who may be basking in the sun or belly-spotting chucks himself. . . or herself.

If you are going to shoot a high powered rifle at a great distance and your target is to be as small as a chuck, we suggest you may save a human life by also including a pair of field glasses in your equipment. Hunters annually kill people in

mistake for the little animal.

He is legal game the year around, but from now until the end of September the hours are 7 a.m. to 6:30 p.m., DST. And you can't hunt him on Sunday. You also must have a hunting license.

\*\*\*

### AND CATS, TOO

Talking about the woodchuck, which is apt to be most seen early in the morning or at sunset, reminds us of the wildcat which has a strong appeal for many because he seems to be a reminder of the wild past. There still are a few cats in Penn's woods, as mentioned in a recent Game Commission release.

He is called a cousin of the Canadian lynx, which you will not find in our woods in case you are apprehensive. They are similar in appearance, but on a different scale. The wildcat is much smaller.

In fact the average cat today will weigh less than twenty-five pounds. His feet are big, his legs long, and there is a slight tuft on his ears. He also has a ruff on the side of his head. His five inches of stubby tail give him his nickname, bobcat.

We have not talked with anyone who has seen a wildcat recently, and it was several years ago that we conversed with an old gentleman who was trapping them. He hadn't caught one.

The last tracks we saw were in the Arnot section, and that was twenty-five years ago. We haven't done enough rambling in the backwoods portions in late years to speak authoritatively on this interesting animal.

The bobcat became so scarce in the 1930's that the bounty was removed. This was out of respect for the hardy hunters who enjoy a good cat chase, which takes them into really wild and rugged country, and is best done with dogs especially trained for such work.

We don't know of any cat dogs in this area today. They are a hardy race, usually cross-bred to provide a combination of good noses and courage. If pure bred hounds are used, they have no stomach for the business when they get close enough to face Mr. Cat. Using hounds the hunters usually bring along some such breed as a terrier to close in on the prey when the scent is warm, or the cat moves into view.

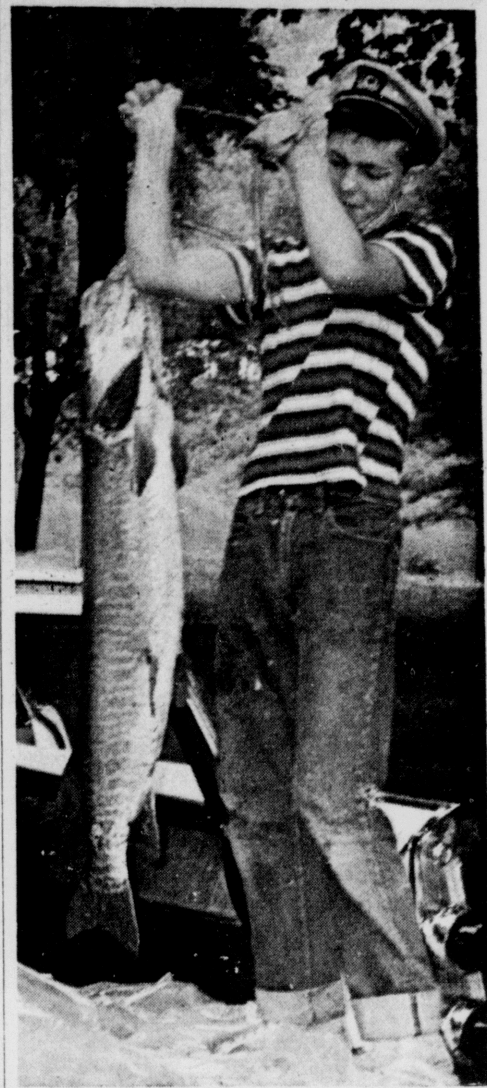

Men who in wilder years did much hunting and trapping were not much impressed by our native wildcat. He was considered a coward in the trap who could be knocked off with a rap from a trapping axe. A house cat on the loose could be much more grouble when he stepped into the steel jaws.

So if you are far into the timbers some lonely night and hear a weird cry, it may be a cat. But don't be nervous. Toss another log on the fire and go back to sleep. He wouldn't come close to you if you had the soft brest of a quail resting under your pillow.

\*\*\*

### BIG ONES

We have had several pictures lately of large muskies caught in Lake Chautauqua. What constantly amazes us is that there are so many

OUT OF THE ALLEGHENY, Doug Creed, Pittsburgh, hauled this 47 inch, 28 pound Muskie out of the Allegheny River Tuesday morning while fishing under the Hickory Street Bridge. The 15-year-old nephew of Dr. D. L. Creed, Warren, young Doug is working at the Warren General Hospital this summer.

fishermen in this area and so few of them go after the large ones which can be found in our own streams.

There are muskies and pike in our own Allegheny, and in the mouths of some major streams feeding into it, such as the Brokenstraw. We once hauled a very nice lunge from the mouth of the Brokenstraw and we have seen many of them feeding in portions of the main stream which flows through our towns and past hundreds of cottages.

A muskie weighing ten to twenty pounds in that current could give every bit as much fun as one twice that large in a quiet lake. This goes for bass, also. A pound and a half or a two-pound fish in the Allegheny riffles can take your line on a much fancier dance than a four or five-pounder in the lake. In fact any large bass we have caught in the lake felt like pulling in a heavy piece of driftwood.

If anyone catches a good fish in one of our own streams, bring it to the Observer office. We would like the picture.

## HOT STOVE LEAGUE

"Help Keep Them Slugging"

Rain and wet grounds curtailed Hot Stove League activity for the second consecutive week.

**BANTAM LEAGUE, EASTERN DIVISION** -- Pace setter Warren County Dairy clubbed St. Paul's Lutheran, 13 to 1; behind the one-hit pitching of Stimmel. Eckert hit two homeruns, one of them with bases loaded, for the Dairy nine. Reiff also homered for the winners. Marietta blasted a homerun to account for the Lutheran's only hit and lone run.

**MIDGET LEAGUE, EASTERN DIVISION** -- Western Auto dumped Savoy Restaurant but no score was included in the report sheet. Rydholm was the winning pitcher and Check caught for Western Auto. Carlson, Tuller and Sorenson was the Savoy battery.

**MIDGET LEAGUE, WESTERN DIVISION** -- The second place Akeley Merchants whipped Hewitt's Grocery, 13 to 3. Danny Gray pitched the win for Akeley and John Haller caught. Pat Tarr tripled and Alan Phillips doubled for the winners. Mark Anderson doubled for Hewitt's.

**CADET COUNTY LEAGUE** -- National Forge shaded Crossetts, 10 to 9. Crossett's four-run rally in the last inning fell one run short of NFO. Sample was the winning Forge pitcher. Kervin Crossett, pitcher, homered and tripled for his team.
